

4th February 2008

Dear Parents,

Charity Week - Monday 18<sup>th</sup> - Friday 22<sup>nd</sup> February

We will be holding our annual Charity Week starting Monday 18<sup>th</sup> February. This year's charity is the British Heart Foundation, and as part of our week the children will participate in a variety of "Jump Rope for Heart" activities. I list below the events taking place:

Monday, 18<sup>th</sup> February we will be launching the week with a special assembly when we will be telling the children something about the work of the British Heart Foundation, and outlining the week's activities. The children will all be practising their skipping or jumping-over-a-rope skills during the day.

Tuesday **Year Two** will be inviting **Year One** to play some educational computer games in the ICT Suite at lunchtime. Please note that games from home will not be allowed.

Wednesday **Year One** will be holding a "Bring & Buy" sale in the morning and an Art Gallery in the afternoon. We would be grateful for any donations of toys, books and games in good condition which can be brought into school this week.

Thursday **Nursery** will be holding a book sale in the morning and afternoon, and **Year Two** will be presenting a fantastic Talent Show. As well as all these delights **Reception** will be selling cakes to help keep our energy levels up! We would be grateful if Reception parents could donate a few small cakes, i.e. fairy cakes, for the cake stall, and these can be brought into school on either Wednesday or Thursday morning.

On Friday we will be having our "Great Skip" in the playground! (Don't worry if your child can't skip yet, they will be able to jump over a rope). We are suggesting that children come to school in sports kit on this day.

...../.....

We will also be selling pencils and other British Heart Foundation items in the Library after school.

We are suggesting a donation of £1 so that your child can take part in all the above activities, and, of course, we would be delighted to receive more for this very worthy cause.

Thank you for your support.

Yours sincerely,

R.J. Narroway  
Head Teacher
