

9th June 2009

Dear Parents,

Eco-Friendly Green Day

We are hoping to have an Eco Friendly 'Green Day' on Tuesday, 16th June - if the weather is favourable!!

The children will be doing lots of activities around the school grounds which involve looking at the natural world.

It would be great if the children could also wear green clothes of their own, not necessarily school uniform.

There will also be face painting so could you please let your child's teacher know if there is any reason for them not to be painted.

Thank you.

Yours sincerely,

R.J. Narroway
Head Teacher
