26th February 2010

Dear Parents,

School Keep Clear Markings

We have today been advised by the Transport, Highways & Environment Department at Solihull Council that they propose to introduce a traffic regulation order on Fallowfield Road. This will enhance road safety for child pedestrians in the area.

The Order would mean that any vehicle stopping to allow passengers in or out or parking on the "School Keep Clear" carriageway marking could be issued with a fixed penalty notice. A traffic sign will be displayed to advise drivers of the no stopping restriction.

I enclose, for your information, a copy of a Public Notice and plan indicating the location of the "School Keep Clear" carriageway markings. The Notice also details how representation can be made to the Council should you wish to raise an objection.

Yours sincerely,

R.J. Narrowway
