Dear Parents,

Re: Valley Nursery & Infant School -Primary Capital Project - Building Work

You may recall that I wrote to you last July 2009, informing you of our good news about Valley Nursery & Infant School being part of the Primary Capital Project organised by the Department of Children, Families and Schools.

I would now like to invite you into school to look at, and comment on, the plans that have been developed by the Project Manager, Mr. Brett Goody. This meeting will be held on Thursday, 25th March from 3.00p.m. until 7.00p.m. in the School Hall. The Governors, Staff and people involved from the Local Authority will be there to answer any of your questions.

All the Staff and Governors are very excited about this new building work and how Valley Nursery & Infant School will look in the future.

I do hope you will be able to find 5 minutes or so during your very busy schedule to come into school and see the plans.

Yours sincerely,

R.J. Narrowway
