

6th October 2008

Dear Parents,

Parent Governor

I would like to advise you that we have a vacancy for a parent governor at Valley School.

We are looking for an enthusiastic person to join our successful and supportive Board of Governors. If you feel you have qualities that would enhance this team, and have a child currently attending Valley School, we would love to have you on board! This is a four year post with effect from the date of appointment.

Please complete the application sheet attached and return it to school by Friday, 17th October 2008.

Yours sincerely,

R.J. Narrowway
Head Teacher
