Christmas Performances

Due to parental response to our letter of 18th November, the taking of photographs by parents and/or dvd/video of these performances is prohibited. However, we will arrange for parents to take photographs of their own child/children at the end of the performances.

Road Safety

May I remind you to park safely, sensibly and with consideration to other car users and our neighbours during the many activities taking place this term. Please do not park on the zigzag lines or double park along Fallowfield Road. Police will be around doing spot checks and if need be will stop any of the performances.

Tickets Please!

Tickets for Christmas Productions have now been sent home with children. If you have not returned your slip please do so as numbers are getting very near our cut off point. Please remember to bring your tickets with you on the day.

Environment letters

We have not received some permission slips from parents to allow children to visit the local environment. If you have any queries about this please contact the school office.

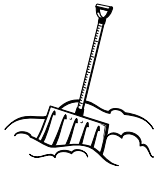

Save the Albatross

Please could you save all your used stamps from your letters. Do not steam them off, just cut them out and leave a border. These stamps will then be sold to dealers.

We are collecting the stamps to send to the RSPB to help save the albatrosses who are in danger of extinction around our shores due to long line fishing.

For further information please visit the RSPB website.

In the event of adverse weather school closures will be announced on the following local radio stations:

Heart FM - 100.7 FM
BRMB - 96.4 FM

Child specific support vacancy for lunchtime only
